

INTERNATIONAL METROPOLIS CONFERENCE TAMPERE HALL

from 9th to 13th
September, 2013

SPONSORSHIP DETAILS

Metropolis is

A worldwide conference which assembles academics, politicians and professionals from all stakeholder groups in immigration. The goal is to bring the findings of cutting-edge research into political and practical use. The network meets annually in different parts of the world.

Metropolis in Tampere 2013

Conference venue is Tampere Hall, where around 700 participants from over 30 countries are expected. Close to 100 workshops will be held during the five-day event.

Metropolis meets Integrating Cities

The Trans-European Integrating Cities conference, which discusses immigration from a local viewpoint, will also be held during Metropolis. It is organised by Eurocities, the co-operation body of Europe's largest cities.

Metropolis and Finland

This is the first time Finland hosts an immigration conference at such a large scale. Also involved in the common effort are four Finnish state ministries, City of Tampere, University of Tampere, the Finnish multidisciplinary association ETMU (Society for the Study of Ethnic Relations and International Migration) and the Pirkanmaa ELY centre (the local Centre for Economic Development, Transport and the Environment).

Benefits for becoming a sponsor

Metropolis gives a unique chance to partake in the immigration and integration debate, an excellent opportunity to promote one's own activities internationally as well as to build a network of foreign counterparts. Metropolis is the primary training event of the year which also gives the partner an image of an active social player.

Sponsor packages may include e.g.:

- Exhibition stand at the Tampere Hall throughout the conference.
- 2–4 conference passes for Metropolis and evening entertainment.
- A half-page ad in the conference programme book.
- Possibility to book a person to manage the distribution of material.
- Possibility to propose a workshop theme and the performers.
- An ad or a link in the Metropolis website.

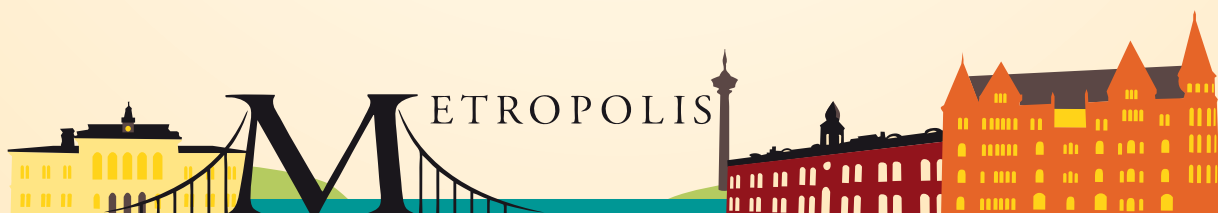

Those who act quickly will be included in the promo-material!
(Price list enclosed.)

Please observe the following

The conference language is English. All visual material must be delivered according to the following schedule: printable conference material must be submitted by June 30th at the latest.
